Dear Ms. Davis:

Friends of John McCain aka Sedona PAC (FEC ID# C00540310) is in receipt of your Request for Additional Information dated January 31, 2017, referencing our October Quarterly FEC report for the period of (08/11/16-09/30/16).

With respect to the items identified in your letter, the Committee responds as follows:

Item 1: Our committee transmitted a copy of our 8 page (plus one cover page) 48 hour notice report on Aug 24th 2016. However, we received an unsuccessful fax transmission notice and retransmitted the fax shortly thereafter. It seems that the original fax transmission error was an incomplete transmission 6 pages (plus one cover page) sent, and so it was not a completely failed transmission, but we did not have any way of knowing that at the time it was resent.

The list of records you listed are not additional donations, but rather inadvertent duplicates on a 48-hour notice based on our receipt of the unsuccessful transmission notice. Therefore, no amendment of our October quarterly report is required.

Through this response, the Committee can confirm, as you requested, that the appropriate steps are being taken for each donation in question and no further action is required under Commission regulations for these particular contributions at this time.

Please let me know if you have any questions 704-668-1993 or email at salpurpura2010@gmail.com

Thanks,
Keith Davis
Treasurer

Detailed Responses:

The following contributions from individuals that you noted as excessive have been clarified with either a redesignation or reattribution and are reflected on the 2016 July Quarterly Report filed on July 15th as the adjustments happened after the close of books on 3/31/16 for the April Quarterly report:

Listed below are the duplicate 48 hour notice submission donors (these are not actual repeat donors and they each only gave one time during this 48 hour notice period):
